PROJECTS

Self-Exploration Challenge | <https://bit.ly/3qo7xeq> | <https://bit.ly/3qljbxr>

Designer and Developer

- A tool that generates activity ideas for exploring personal interests to be used as part of a 30 day challenge.
- Tools/Languages: HTML, CSS, JavaScript, jQuery, Bulma, AJAX, Bored API, Quotes Free API

Join In | <https://bit.ly/3lCeKzl> | <https://join-in-app.herokuapp.com/login>

Designer and Developer

- A social media application for creating and joining in on challenges and posting about the experience and progress in each one.
- Tools/Languages: Handlebars, CSS, Bootstrap, Node.js, Express.js, MySQL, Sequelize

Will It Fit | <https://bit.ly/3Mx8qKR> | <https://bit.ly/3rPY9l6>

Designer and Developer

- A tool for those who would like greater access to more reliable reviews so that they can find clothes that fit. The application matches users with other users who have similar body types and provides a space for people to submit reviews.
- Tools/Languages: ReactJS, CSS, JavaScript, Material UI, Node.js, Express.js, GraphQL, Apollo Server/Client, MongoDB

WORK EXPERIENCE

Betteridge and McNaughton PS

Sep 2021 - Present

Receptionist

Tacoma, WA

- Effectively collaborated with two others to troubleshoot as a team and complete tasks efficiently.
- Recognized by the manager for patience and commitment to customers.

Custom Wedding Dresses

June 2018 - Sep 2021

Seamstress

Remote

- Formed genuine relationships with customers by meeting for at least three different fittings, communicating to understand their vision, and successfully designing and constructing their wedding dress in less than three weeks.
- Consistently received positive reviews from brides for beautifully catching their vision, thinking creatively, being open to feedback, and attentive to detail.
- Captured beautiful photos of each bride in her custom made wedding gown and used these bridal photos as a marketing tool to attract new clients.

EDUCATION

University of Washington - Seattle, WA

April 2021

Full-Stack Web Development Coding Certificate
